Company liquidation

Dear customers,
Dear business partners,

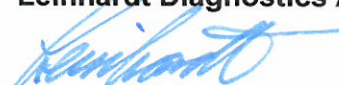

We wish to inform you that we will be discontinuing our distribution company **Leinhardt Diagnostics AG** in Lenzburg at the end of 2022 for reasons of age.

Since we have not succeeded in finding a successor, we are giving you advanced notice of the company's liquidation in order to enable you to find alternative products on the market. We will be happy to help you to identify replacement articles.

We will continue to sell the products you have purchased to date from stock with a minimum shelf life of 6 months until the end of 2022.

We sincerely thank you for your great trust and loyalty to our company over all these years.

Kind regards,
Leinhardt Diagnostics AG

Johann Leinhardt
